

Additional Risk Transaction

I/we refer to my/our instructions to execute the transaction referred to in the Schedule below (“the Transaction”) as agent on my/our behalf.

In connection with the Transaction I/we confirm that I/we wish to proceed with the Transaction notwithstanding that **(please tick all relevant boxes)**:

- The Transaction involves a cross currency/ies which is **HIGH RISK**. I understand **HIGH RISK** to mean that there is a significant chance that it may fall in value, not meet its projected returns, fail to repay some or all of the capital invested or otherwise incur substantial loss. I am willing to accept this possibility.
- In isolation the Transaction does not match my/our normal investment risk profile, but is nevertheless acceptable in this instance as it forms an acceptably low percentage of the current value of my/our overall assets and I/we therefore consider that we can afford the **additional risk**, and are prepared to do so in this case.
- I/we fully appreciate that the security is **HIGH RISK**, which I understand **HIGH RISK** to mean that there is a significant chance that it may fall in value, not meet its projected returns, fail to repay some or all of the capital invested or otherwise incur substantial loss. I am willing to accept this possibility.
- The Company’s Financial Adviser has advised me against the Transaction, but I nevertheless wish to undertake the investment.

In consideration of the Company agreeing at my/our request to proceed with the Transaction on the basis of the foregoing I/we expressly waive any rights which I/we may otherwise have had against the Company on the basis that the Transaction is not, in fact, an appropriate one for me/us to enter into. I/we understand that it may not be in my/our best interest to enter into the Transaction or to waive such rights, and I/we have considered this fully, and taken such independent advice as I/we deem appropriate.
